

***Closely guarded secrets. A sinister shadow from her past. Will the truth set her free?***

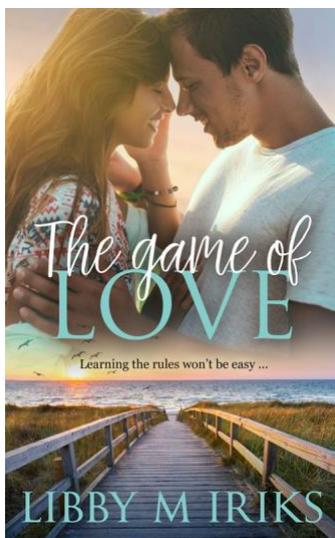

Carol has a tough exterior and relies on no one. She has her motorbike and her dog, and that's all she needs. But underneath the hard shell she presents to the world, she's fighting hard to put her sordid past behind her. Except when her manipulative ex shows up, he proves his power over her is still strong.

To make matters worse, when she comes face to face with Blake, the new guy in town, he reminds her of the one she's trying to escape. She wants nothing to do with him, only Blake keeps proving that while he might look like the one haunting her, the two couldn't be more different.

As Carol slowly begins to open her heart to Blake and discovers a new world of love and tenderness, the hold her ex has on her tightens. She has a choice to make—submit to the monster's control or find the strength to break free once and for all. Will she let her past destroy her future? Or will she shatter the silence with the truth?

***Reckless Lies* is the second book in the *White Wattle Creek* series. If you enjoy small-town settings and survival stories where good triumphs over evil, then you'll be enthralled by this romantic suspense novel by Vikki Holstein.**

---

***He was once the bane of her existence. Now she's counting on him to keep her sane.***

Alyssa Martin is facing a future of medical treatment and uncertainty. So when she returns to her hometown after ten years away, she's seeking a distraction from her grim reality. Fate sends her Dean, a fun-loving and carefree guy from her past. Determined to enjoy life while she can, Alyssa recruits his help in rediscovering all their beachside community has to offer.

Dean Daniels plays by his own rules. Unattached and self-employed, he answers to no one—and that's just how he likes it. So when he crosses paths with Alyssa, he sees it as nothing more than an opportunity to get the serious and uptight girl he once knew to let loose. But it's not long before they're both playing a new game, only neither of them knows the rules. And when secrets and deception come to light, they must each decide just what the other means to them. What will it take for them to realise that, in the game of love, honesty and forgiveness are two of the most important rules?

***The Game of Love* is a standalone contemporary romance novella. If you like romance involving her best friend's brother, stunning beachside locations, and stories that tug on the heartstrings, then you'll love this emotion-packed novella introducing you to the writing of Libby M Iriks.**
